## Forgotten Heroes

By Jeremy Bell

*Forgotten Heroes* is a warm and majestic, chorale-style piece that focuses on developing musicianship by shaping the musical lines and supporting countermelodies. The tension and release created by the suspensions as they resolve produce elaborate harmonies and breathtaking expressive moments. The powerful emotion that is generated from the richness of the orchestration serves to remind us of the men and women who have served to help make this nation great. This work is a musical memorial for those who never saw fame nor glory but strove to make the world a better place.
